

Social Identity Wheel

Adapted from Teaching for Diversity and Social Justice (2nd ed)

Social Identities:

Race/Ethnicity

Sex

Gender

Religion

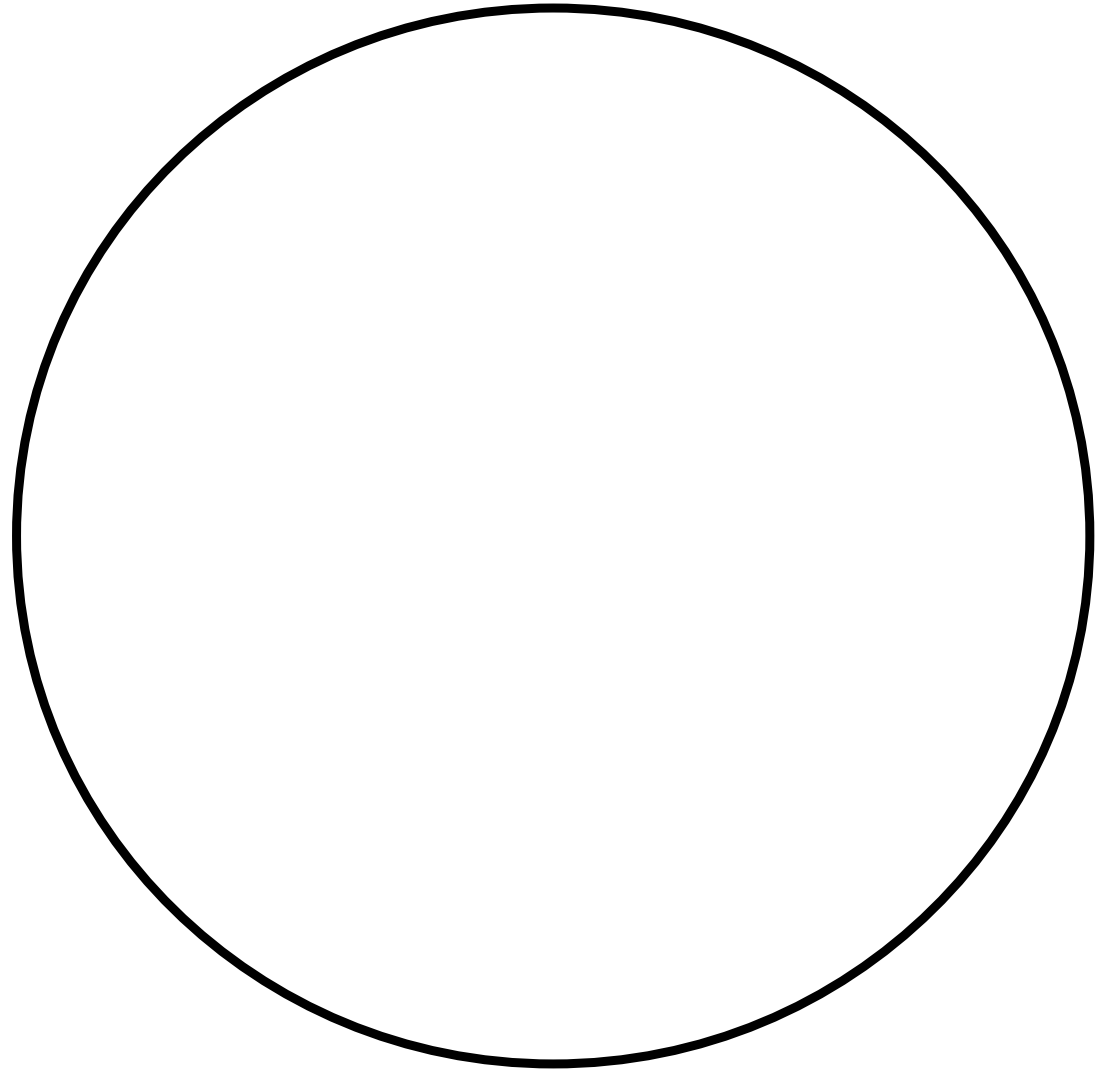

Social Class

Physical/Mental Ability

Sexual Orientation

Age

Other

First, list your social identity group memberships. Then fill in the wheel, making one slice for each identity. Make the size of each slice proportional to how much you are aware of that group membership. Groups that you are more aware of should be a bigger slice than those you are less aware of.
